github.com/Aaina0?tab=repositories

I am a Junior MERN stack developer with hands-on experience in crafting dynamic, responsive web applications using JavaScript, React, Node.js, and MongoDB. I am eager to contribute technical skills and a strong work ethic as an intern in a dynamic development environment.

## EXPERIENCE

### React JS InternShip Hello World Technologies

11/2023 - 01/2024

*Achievements/Tasks*

- **Continuous Learning :** Actively engaged in ongoing learning, refining my React.js skills through real-world applications and mentor feedback.
- **Hands-On Learning :** Developed basic skills by working on practical projects and resolving initial challenges in React.js.

## EDUCATION
